Subject: Query in Relation to Strategic Housing Development Application Notifications

To whom it may concern,

We have previously held correspondence in regard to the submission of Strategic Housing Development (SHD) planning applications to which the Dublin City Childcare Committee are to be notified.

We, Delphi Design, Architecture + Planning, are in the process of finalising documentation to submit a formal Strategic Housing Development (SHD) planning application to An Bord Pleanála in respect of lands located at the grounds of the former De La Salle National School, Ballyfermot Road, Ballyfermot, Dublin 10.

Pursuant to Article 285(5)(a) of the Planning and Development (Strategic Housing Development) Regulations 2017, the applicant has been informed by An Bord Pleanála that the Dublin City Childcare Committee should be notified of the SHD planning application and sent a copy of the application.

Due to the Covid-19 pandemic and associated working restrictions, we are seeking confirmation from the Dublin City Childcare Committee that the Dublin City Childcare Committee are happy to receive a soft copy of the application only, or does the the Dublin City Childcare Committee require 1 no. hard copy to be posted to their address also?

If you could confirm the above by way of email as soon as possible, it would be much appreciated.

Kind Regards,

Alan Fenton, BA, MRUP, MIPI, MRTPI
