Subject: Query in Relation to Strategic Housing Development Application Notifications

Dear Ms. Raffery,

I have previously held correspondence with you in regard to the submission of Strategic Housing Development (SHD) planning applications to which the IAA are to be notified.

We, Delphi Design, Architecture + Planning, are in the process of finalising documentation to submit a formal Strategic Housing Development (SHD) planning application to An Bord Pleanàla in respect of lands located at the grounds of the former De La Salle National School, Ballyfermot Road, Ballyfermot, Dublin 10.

Pursuant to Article 285(5)(a) of the Planning and Development (Strategic Housing Development) Regulations 2017, the applicant has been informed by An Bord Pleanàla that the Irish Aviation Authority should be notified of the SHD planning application and sent a copy of the application.

Due to the Covid-19 pandemic and associated working restrictions, we are seeking confirmation from the Irish Aviation Authority that the Irish Aviation Authority are happy to receive a soft copy of the application only, or does the Irish Aviation Authority require 1 no. hard copy to be posted to their address also?

If you could confirm the above by way of email as soon as possible, it would be much appreciated.

Kind Regards,

Alan Fenton, BA, MRUP, MIPI, MRTPI
